GrieveWell (formerly the kite network), a nonprofit organization, provides resources and support to adults in grief, as well as those who surround them, in order to build a community that promotes healthy grieving and healing. GrieveWell offers training and education to build a supportive community, one-to-one peer support to individuals in grief, and access to online resources and referrals. GrieveWell envisions a community in which individuals grieve well so that they can lead a full life after loss.
